MEMORANDUM FOR THE RECORD

25X1A

SUBJECT: Concurrence in Amendment No. 1 to Contract EN-95 with [REDACTED]

25X1A

1. This memorandum contains a recommendation submitted for approval of the Director of Central Intelligence. Such recommendation is set forth in Paragraph 5.

2. Contract No. EN-95 provided for engineering and technical services to study requirements of the Project for specialized film processing and data recording operations and preparation of engineering designs for such equipment and its installation. Amendment No. 1 to the contract provides for the design and development of in-flight processing equipment including fabrication and testing of a flyable preprototype model, as well as continuance of work on certain existing items within the initial contract scope.

3. Contract No. EN-95 is a cost-plus-a-fixed-fee type and the estimated contract price is \$150,000, which sum has been obligated thereunder from 1955 and 1956 Fiscal Year AQUATONE funds. The estimated contract price for Amendment No. 1 is \$101,000 which is to be obligated from Fiscal Year 1957 AQUATONE funds. The estimated price of Amendment No. 1 comprises approximately \$50,500 additional contract costs for continuance of the initial contract scope to which no additional fixed-fee attaches, and approximately \$47,196 additional costs for development of in-flight processor to which a fixed-fee of [REDACTED] does apply.
